38 39 Attached is a conciliation agreement signed by counsel on behalf of MoveOn.Org and Wes Boyd, in his official capacity as treasurer, (the "Committee" or "Respondents"). The agreement would settle violations of 2 U.S.C. § 434(g) and 11 C.F.R. § 104.4(b) and (c) stemming from the Committee's failure to file four 48-Hour Notices of independent expenditures totaling \$557,082.36 and two 24-Hour Notices of independent expenditures totaling \$158,393.02.

	The agreement recites the
	facts of this matter and contains admissions to violations of the Act and the
	sion's regulations, as well as an agreement to cease and desist from further
violation	is.
_	the agreement also includes several
contentio	ons at page three, paragraph IV.7. Respondents contend that the failure to file the
	notices was the result of an inadvertent administrative or technical error, and that
the Com	mittee did not know that the nofices were not filed with the Commission until it
received	Requests for Additional Information ("RFAIs") from the Commission's Reports
Analysis	Division ("RAD"). Furthes, Respondents contend that some of the notices were
not uplo	aded to the Commission, even though the Committee had prepared electronic
submissi	ons using FECfile software, and that one 48-Hour Notice was uploaded but that
it contain	ned inaccurate data, specifically, information from a previously filed notice.1
Finally,	Respondents maintain in their contention language that prior to and after the
notices i	n question, they have successfully and timely filed 24- and 48-Hour Notices of
	lent expenditures, and that in response to the Commission's enforcement action,
	tituted procedures to ensure that notices are timely filed with the Commission.
	interest procedures to ensure that notices are timely most with the Commission.
	interpretation to cliente that notices are timely free with the commission.
